The SCBC Swimming Area is Closed 9/1/26

Dear SCBC Residents,

Please be advised that, effective immediately, the swimming area at the Skippers' Cove Beach Club is closed due to VERY high amounts of enterococci found in the water. Henderson's Water Testing reported that this is most likely due to the amount of rain that fell yesterday. The SCBC Beach Area/Patio will remain open. The water will be re-tested later this week and we will notify our residents when the SCBC swimming area is safe and open for swimming.
