Electronic Voting

Friends & Neighbors,

A few months back, we sent out a survey asking whether the Cove should add electronic voting as another way for our community to handle business. The response was overwhelmingly positive, and many of you shared thoughtful feedback. Based on that support, we drafted updates to our current bylaws and brought them to the Board for review.

As required, these proposed changes were read at three consecutive general meetings with no objections raised. That brings us to the next step.

In the coming weeks, the bylaw committee will be putting together copies of the proposed changes along with a ballot for you to cast your vote. Once you receive your ballot, you can return it to any officer, mail it in, or simply drop it in the clubhouse mailbox — whatever is easiest for you.

Here is the link to the proposed bylaw changes for you to look over at your convenience.

Thank you for staying involved and helping shape how our community moves forward. Your participation truly makes a difference.

Warm regards,

Mike O'Neil - SCBC President
